Concealed paper towel dispenser

Concealed paper towel dispenser, stainless steel, coated

Concealed paper towel dispenser with internal lockable paper towel dispenser box. Stainless steel, surface powder-coated in bespoke color | Limitless Colors. Concealed element with internal lockable paper towel dispenser. The dispenser box is locked in the upper position with a key. By means of extremely robust guide rails the dispenser can be lowered into the refill position. Capacity approx. 400 paper towels. Fitting to the stud system is made using aluminium fitting rails attached to the concealed element. Fitting is made in conventional drywall with 100mm stud construction. Made out of 1.2mm thick stainless steel. Suitable for paper towels with a folded length of approx. 215-250mm and a folded width of approx. 80-95mm.
